CAMP OBJECTIVES

The primary objective of our camp is to provide the players with the opportunity to develop and improve the physical skills necessary to run the highly precisioned Wing-T offense. We will stress the fundamentals of offensive linemen, receivers, running backs and quarterbacks. These fundamentals will be introduced progressively and reviewed throughout the week. A second objective is a value oriented one, dealing with the development of a TEAM philosophy and the solid work ethic so critical to success in football. These ideals will be discussed with the players and reinforced during our workouts each day. We hope it will be a great learning experience.

Tuition for the week will be \$225.00 per camper. A non-refundable deposit of \$50.00 must be sent with the application.
